If a committee does not have a valid Reporting Waiver, required Campaign Statements are due even if the committee does not spend or receive any money during the reporting period.

* A committee that files a 2004 Post General Statement due on December 2, 2004 is not required to file the 2005 Annual Statement.

Late Contribution Reports - Each contribution of \$200.00 or more received by the committee from the 15th to the 3rd day before an election requires the committee to submit a Late Contribution Report by any written means within 48 hours of receipt. **Late Contribution Reports are not waived by the Reporting Waiver.

Additional Campaign Statements may be required if the candidate or political party is involved in a convention or a "special" election. A Ballot Question Committee may owe additional statements for the qualification or non-qualification of the ballot proposal.
